MODEL THEORY DAY **In Camerino**

12th of June, 2008

Program

11.00-12.00

Francoise Point (University of Mons-Hainaut)
Difference ordered fields

12.00-13.00

Carlo Toffalori (University of Camerino)
Two or three things I am assumed to know

15.00-16.00

Kathryn Vozoris (University of Camerino)
Local o-minimality

16.00-17.00

Sonia L'Innocente (University of Camerino)
Model Theory and Lie algebras: possible interactions

The talks will be held in the Computer Science Building, Room AB3.

All interested parties are welcome to participate.
